

Dear 2023-2024 Fourth Grade Parents and Guardians,

Each year parents ask what supplies children should have to start the year strong. The following is a list of materials that children will need for our fourth grade class at the start of the school year.

Perhaps many of the supplies your child brought back from third grade may be in good shape to use in fourth grade! As always, if students are not able to bring their own materials, materials can be supplied by the school.

Thank you for your support!

Sincerely,

Mrs. Patterson
