

Dear Fourth Grade Parents and Guardians,

Each year we are asked what supplies students should have for the start of the school year. To provide consistency across the grade level, we have developed a list of materials that students will need to start fourth grade in the fall. Please don't feel the need to buy everything new since some supplies from third grade might still be in good shape and can be used again. As always, if students are not able to bring in their own supplies, the school will help provide these materials.

Thank you for your support!

Sincerely,

*Ms. Jones*
