

Dear 2023/24 third grade parents,

Often parents ask what items they should purchase for their children for the start of the year. I hope that the early notice will allow you to take advantage of the sales and perhaps share value packages with friends and neighbors. Binders and trapper keepers are not needed by students. As always, if students are not able to bring their own materials, they will continue to be supplied by the school. Thank you in advance for your understanding.

Sincerely,

Annamarie Soares
