

Dear 2023/2024 third grade families,

Often parents ask what items they should purchase for their children for the start of the year. I hope that the early notice will allow you to take advantage of the sales and perhaps share value packages with friends and neighbors. Below is a list of supplies that will be helpful for your child to have in my third grade classroom. As always, if students are not able to bring their own materials, they will continue to be supplied by the school. Thank you in advance for your help with making the school year successful.

Sincerely,
Zoe Germain
