

LITTLETON SEPAC

Littleton Special Education Parent Advisory Council

If your child is receiving Special Education services we hope you will join the Littleton SEPAC community. We are a supportive and welcoming group of parents and caregivers who aim to provide support, education and resources as we navigate the Special Education journey together.

Make sure to connect with the SEPAC Liaison in your child's school, join meetings and workshops, find resources and ask questions! There are several ways to get connected:

Join us at our monthly parent meetups. Get to know other parents, get support and have a nice time. Sometimes we meet at the library, sometimes we go out for dinner or another activity.

Join us at a SEPAC meeting. We meet every 3 months to plan and discuss SEPAC activities and topics.

Follow us on www.facebook.com/groups/littletonsepac/ (public page). Littleton has a private Special Education Facebook page as well where parents can share and discuss: www.facebook.com/groups/littletonspecial/

Visit the SEPAC website to join our mailing list, find resources, SEPAC agendas and minutes, workshop details and more: www.littletonmasepac.org

Email us at sepaclittleton@gmail.com. Visit the website to join the email distribution list where we share upcoming events and other relevant Special Education information. Email frequency approx. once every 2 months.
