pre-register

Join Nancy Duggan, Executive Director for Decoding Dyslexia Massachusetts. Some of the topics which will be covered are: What type of screening guides instruction for all students? What type of screening meets the IDEA Child Find Mandate and MA Dyslexia Screening laws? When are diagnostic reading assessments needed? How can school support students, including students with disabilities, to learn to read by the end of 3rd grade?

SEPTEMBER 28, 7 PM
SEPAC Meeting

or join us
[HERE](#)

A SEPAC is a parent-led group that hears the concerns of parents with children with disabilities, and then provides recommendations and direct input to school district leaders and other decision makers, on system-level challenges in special education and related services. Our meetings are open to all with an interest in Special Education in Littleton. We hope you will join us!

SEPTEMBER 30, 6:30 PM

A Workshop on Reading Goals in the IEP

Scan the QR
Code or
click [HERE](#) to
pre-register

Learn what you need to know about the science of reading, understand how to apply the correct data for making Individualized Education Program (IEP) decisions, know if the instruction your child is receiving is targeting the needs of your child, and know if your child's instruction is meeting the standards of the Individuals with Disabilities Education Act (IDEA) law. Parents are encouraged to bring copies of student evaluations and IEPs.

Max. 15 Littleton only families. Don't wait to pre-register!

OCTOBER 12, 7 PM

Executive Function Strategies for Creating Successful Students

Scan the QR
Code or

pre-register

After an unconventional school year due to Covid, students have returned to school full-time and are reacclimating to a more rigorous and demanding academic program and schedule. During Covid and now beyond, executive function skills have become increasingly important for students of all ages. Join Engaging Minds to learn actionable strategies you can use at home to help strengthen your child's executive function skills to keep them on a successful path this school year and beyond.
